The 2007 vintage was another high quality year, but with significantly reduced yields in Eden Valley. The vintage began three to four weeks early, one of the earliest on record, remaining dry and mild allowing for good maturity - a vintage of low yields but of very good quality.

The 2007 Riesling is medium straw coloured with a spicy, melon, citrus and floral scented bouquet. Dry, mouth filling and concentrated, this flavourful Riesling can be enjoyed now but will evolve for a decade in the manner of a top German Kabinett.

*Shiraz - Cabernet Sauvignon - Cabernet Shiraz Viognier
Riesling - Pinot Noir*
