pH:	3.56
Residual sugar:	0.59g/l
Harvested:	26th April 2023
Bottled:	17th August 2026
Total Bottles:	17,000 bottles

2023 Vintage:

We entered the 2023 growing season with above average soil moisture and got off to a good start. This was followed by a cool, wet spring that fortunately had a positive effect on vine growth resulting in the development of long loose bunches with good air flow that minimised disease pressure. Thankfully, a mild summer provided a long, cool ripening period, and despite our concerns, a relatively late vintage progressed at a relaxed pace, with reasonably good yields, and importantly, excellent quality.

2023 Eden Hall Springton Shiraz tasting:

The 2023 Eden Hall Springton Shiraz is deep crimson-red, with a perfumed nose that gives way to spice of thyme, white pepper and vanilla. A seamless palate of black fruit and ripe cherry follow through to delicate, soft tannins than linger. Drinking elegantly now, but can be cellared with confidence.

Shiraz ~ Cabernet Sauvignon ~ Cabernet Franc
Riesling ~ Viognier ~ Grüner Veltliner
